One Day National Workshop on
Online Learning: Grow with Google Workspace
(24th June 2021, 10:00 AM to 12:00 PM)
(Local MSST)

	Prof. T. Swarnika Rani Principal, and Head Faculty of Education Acharya Nagarjuna University, Guntur
	Dr. Sr. G. Thereseamma St. Joseph's College of Education for Women
	Sr. Y. Rajakumari Superior Holy Rectory Convent, Guntur
	Dr. Naraginti Amareswaran (Dr. N.A. Reddy) Assistant Professor Dept of Education NEHU, Shillong.

About the Workshop
 The COVID-19 pandemic has changed education forever. Globally, over 1.7 billion children are out of the classroom. As a result, education has changed dramatically, with the distinctive era of e-learning, whereby teaching is undertaken remotely and on digital platforms. Research suggests that online learning has been shown to increase retention of information, and takes less time. The developed countries and few states in India, have integrated ICT in school, education and higher education. The Government of Andhra Pradesh in collaboration with Intel, has trained lakhs of school teachers to integrate ICT in their teaching learning process. The Government of India has initiated various, best digital programmes for school education to higher education. There are more than 40 digital institutions for education. These initiatives are more useful in the present pandemic situation. Many online learning tools are available free of cost. The Google has initiated many educational programmes for students, teachers, awareness and parents. The Google Workspace is available for all Gmail users. The Google Education has offered many courses and tools to enrich the existing education. The Google has initiated many programmes under 'Grow with Google'. The main learning outcomes of the workshop are, to discuss the role of teacher in improving the learnability of learners, to identify the different types of learning tools, and to describe what Apple teacher skills are and some of

benefits associated with it, and to discuss and understand Google Workspace for professional development of teachers and teacher educators. The workshop will show a right path to the learners, students, student teachers, teachers and teacher educators to use Google to grow continuously. The workshop creates a platform to learn many innovative tips to learn and grow.
