Report for 2022-23

1. Planning and Scheduling Academic, Cultural, and Sports Events in School

- **Nature of Events:** This event encompassed a variety of activities, including assemblies for school, quizzes, community-related awareness programs, and judging competitions within schools.
- **Duration:** It was conducted throughout the year as part of an internship program.
- **Nature of Teacher Involvement:** Teachers played a crucial role in guiding the students and monitoring their progress, ensuring the successful execution of each event.
- **Nature of Student Participation:** Students were tasked with preparing resources as required by the schools and sending materials online to facilitate the events.
- **Number of Students Participated:** A total of 82 students participated in organizing and executing these events, contributing significantly to the school's academic and cultural life.

Career Counselling Session

- **Nature of Events:** This session was dedicated to career counselling, aiming to guide students in making informed decisions about their future careers.
- **Duration:** The event took place on January 3, 2023.
- **Nature of Teacher Involvement:** Teachers mentored the students, providing them with the necessary guidance to prepare for and conduct the session effectively.
- **Nature of Student Participation:** Students prepared the materials and conducted the career guidance session, helping their peers understand various career paths and opportunities.
- **Number of Students Participated:** 15 students were actively involved in this session, playing a vital role in its planning and execution.

Volunteering for Annual Day

Nature of Events: This event involved student volunteering at the Annual Day Programme of a Government High School.

Duration: The event took place during the first semester.

T. Swarupa Rani
PRINCIPAL
ST. JOSEPH'S COLLEGE OF EDUCATION
FOR WOMEN
GUNTUR-522 001., A.P

Nature of Teacher Involvement: Teachers provided mentorship to the students, guiding them through their responsibilities and ensuring they were well-prepared.

Nature of Student Participation: The students, acting as internees, assisted in various aspects of the Annual Day Programme, demonstrating their dedication and commitment to supporting the school community.

Number of Students Participated: 10 students participated in this event, contributing their time and effort to make the Annual Day a success.

Conducting Sports Day in School

Nature of Events: This event focused on organizing and conducting sports activities at selected high schools.

Duration: It was held during the first semester.

Nature of Teacher Involvement: Teachers mentored the students, helping them plan and execute the sports events efficiently.

Nature of Student Participation: Students, in their role as internees, assisted in conducting various sports activities, ensuring a smooth and successful Sports Day.

Number of Students Participated: 14 students were involved in this event, contributing to the promotion of physical education and school spirit.
