Teaching AIDS Workshop

A workshop on "Teaching aids" was conducted on 14/09/23 with an objective of providing varied teaching learning experiences. This workshop was supervised by Mrs.D. Prashanthi, Senior Teacher St. Joseph's School & Dr. P. Prashanthi, Lecturer SJCE, Guntur. Student teachers are oriented towards creating a variety of teaching aids like 3D effects on charts, Flash cards and teaching aids with reused materials. It was a very interesting and enriching experience for the students, as they got valuable insights in making their teaching learning experience more effective with the use of innovative teaching aids.

Talk on Health and Hygiene -Gynic Perspective

An awareness program based on health and hygiene and cancer awareness had been conducted on 12/9/2022 in collaboration with the Inner Wheel Club. Dr. Sushma, Gynecologist shared her experiences with the students and enlightened them to be more hygienic to safeguard their health specially gynic health and prevent from illnesses. She also motivated the students to come up with health-related doubts and she clarified their questions. Overall, the session was felt to be very meaningful and beneficial to the participants.

Dr. Sushma Gynecologist addressing the gathering on the importance of Health and Hygiene in an awareness programme.

Founder's Day

St. Joseph's College of Education for women, Guntur celebrated the feast of Saint Mathias Wolf as Founder's Day on 31-10-2022. He was the Saint who found the congregation of JMJ. To give glimpses of his life, a power point presentation was given through which we learnt to a great deal.

Mathias was born to Mathias Wolff and Anna Maria Zenner on 6th March 1779 in Die Kirk; He was brought up in an atmosphere of 'Kindness always and severity when necessary. Later Mathias was ordained as a Diocesan Priest in 1802 and totally dedicated himself to God for serving the people. The impact of French revolution affected him adversely. It moved and prompted Fr. Mathias to take some initiatives towards education of the girls. He thought of encouraging willing girls to join hands to bring the change in the society. Thus, Fr. Mathias Wolff decided to start a woman's congregation to educate the poor girls and to reach out to those in need.

Thee first three girls he started with were Maria Stichters, Sophie Miltner and Lubuina van Elck He got them trained, and they professed as catholic Nuns and later a new Congregation for Women was founded on 29th July 1822, in Amersfoort, and named it as the Society of Jesus Mary Joseph (JMJ). The JMJ Congregation is rendering a great deal of service both nationally and internationally in various fields of which Education, Health and Social service being the prominent ones.

“ IN THE MEMORY OF FOUNDER Fr. MATHIAS WOLFF

Sankranti Sambaralu

Sankranti a famous Hindu festival, also called as 'Makara Sankranti' is observed with social festivities such as colorful decorations, rural children going house to house, singing and conducting melas (fairs), dances, kite flying, bonfires and feasts. It is a festival deeply tied to India's culture, religion, and agriculture. The Makar Sankranti festival unites diverse communities across India, celebrating not only the sun's northward journey but also the promise of renewal, prosperity, and the strengthening of familial bonds. It is a regular practice of our college to celebrate Sankranti every year in our college. All the staff and students feel highly excited and happy to participate in the celebration with colourful dresses and decoration. In this regard, we conduct Rangoli competition and give prizes. On the day of celebration, we cook and serve sweet pongal to everyone and students perform colorful cultural events and entertain everyone. This year we celebrated Sankranti on 10.01.2023.

Republic Day Celebrations

Republic Day was celebrated at our college as a grand and patriotic event. The entire college community came together to honor the spirit of the Indian Republic. All the students, Teaching and Non-Teaching staff participated enthusiastically. The celebrations commenced at 8.00AM with Flag Hoisting ceremony. The Principal Prof. T. Swarupa Rani was the Chief Guest. The National Flag was hoisted by our Principal Mam, followed by the singing of Patriotic song.

This moment filled everyone with a sense of pride and Patriotism. Principal mam addressed the gathering speaking about the significance of Republic Day and the responsibilities of citizens towards the Nation. Cultural Programmes were the highlight of the Event, which reinforces the values of unity, diversity, and patriotism among student teachers.

National Integration Day Celebration

National Integration Day was observed on November 19th every year to mark the birth anniversary of the first woman Prime Minister of India, Indira Gandhi. The day aims to motivate people about keeping unity, peace, love, and brotherhood among them. National Integration Day serves as a platform for discussing and addressing social issues related to communal harmony, discrimination, and inequalities. It encourages people to work collectively to find solutions. In our college also every year we celebrate National Integration Day. This year we celebrated on 19/08/2021. Prof. Karuna RegistrarI/c ANU addressed the students and enlightened them about the importance of national integration and ways to promote tolerance, inclusivity, and an understanding of different cultures and communities.

Awareness Program on Violence against Women

On 23/11/2021 St. Joseph's College of Education for Women organized a one-day workshop focused on addressing the critical issue of "Violence Against Women," facilitated by Dr. Swarna Latha faculty of AP Mahila Pranganam. The workshop served as a platform for students, faculty, and members of the wider community to engage in meaningful discussions, share experiences, and learn about strategies for preventing and responding to various forms of violence against women. Through expert-led sessions, interactive exercises, and open dialogue, participants gained valuable insights into the root causes of violence against women and explored ways to promote gender equality, empower survivors, and create safer environments. This event underscored the college's commitment to raising awareness, advocating for women's rights, and fostering a culture of respect, dignity, and equality for all.

About the Workshop

The COVID-19 pandemic has changed education forever. Globally, over 1.2 billion children are out of the classroom. As a result, education has changed dramatically, with the distinctiveness of e-learning, whereby teaching is undertaken remotely and on digital platforms. Research suggests that online learning has been shown to increase retention of information, and save less time. The developed countries and few states in India, have integrated ICT in primary education and higher education. The Government of Andhra Pradesh in collaboration with the Government of India has trained lakhs of school teachers to integrate ICT in their teaching-learning process. The Government of India has initiated various kinds of digital programmes for school education and higher education. There are more than 40 Digital Initiatives for education. These initiatives are more useful in the present pandemic situation. Many online learning tools are available at low cost. The Government of India has initiated many educational programmes for students, teachers, researchers and parents. The Google Workspace is available for all G-mail users. The Government of Andhra Pradesh has offered many courses and tools to strengthen the existing education. The Government of India has initiated many programmes under Grow with Google. The main learning outcomes of the workshop are, i) Discuss the role of Google in improving the learnability of learners; ii) Identify the different types of learning tools; and iii) Describe what Applied Digital Skills is and its importance.

St. Joseph's College of Education for Women conducted TLM workshop on 17/07/2019. Students are diving deep into the creative and innovative aspects of preparing Teaching Learning Materials (TLMs). Our dedicated workshops and classes focus on enhancing students' intellectual and thinking skills, pivotal in crafting effective and engaging educational tools.

Through these sessions, students are encouraged to think outside the box and use a variety of materials and digital tools to create TLMs that are not only informative but also stimulate learning and curiosity among students. The process of TLM preparation involves brain storming, planning, and executing ideas that incorporate visual, auditory, and kinesthetic learning styles.

Our students have access to a wealth of resources, allowing them to experiment with different formats and technologies. From traditional paper-based materials to interactive digital presentations, the emphasis is on creativity and innovation. The goal is to prepare future educators who can tailor their teaching strategies to diverse learning environments and needs.

Career Guidance for Working in Teams

At St. Joseph's College of Education, Teacher Educators have developed a robust program on career guidance for working in teams on 11/9/2019. Understanding the importance of collaboration in the educational environment, they offered practical suggestions and strategies to enhance teamwork skills among the students. This guidance covers aspects such as clear communication, role assignment, conflict resolution, and the importance of mutual respect to support within a team setting. These sessions are designed to prepare future educators not only to work collaboratively with colleagues but also to foster these skills in their own classrooms. The program emphasizes the value of diverse perspectives and the synergy that can be achieved when individuals come together with a common goal, thereby enriching the learning experience for all members involved.

Sr. Roselin explaining the students the importance of teamwork in achieving the targets.

Teachers' day

Teacher's day was celebrated on 5/09/2019. All the student teachers took active participation and celebrated the joy of being blessed with many teachers. On that day, all the teachers were highly honored and entertained by the cultural activities of students. Staff gathered recollected the sacrifices of former lecturers involved in building up of this institution
