GUNTUR-522 001., A.P.

PEDESTRAIN
FRIENDLY ROADS IN
THE CAMPUS

Create Pedestrian Friendly Roads in the Campus

Pedestrian pathways or walkways are provided safe and convenient routes for people travelling on foot.

T. Saranyadani
PRINCIPAL
ST. JOSEPH'S COLLEGE OF EDUCATION
FOR WOMEN
GUNTUR-522 001., A.P.

Prioritize Pedestrian Access

T. Swasupthani
 PRINCIPAL
 ST. JOSEPH'S COLLEGE OF EDUCATION
 FOR WOMEN
 GUNTUR-522 001., A.P.

**PLASTIC – FREE
CAMPUS**

Develop Plastic Free Campus

Environmental conscious day /Environmental responsibility day .

In a week, one day is on every Saturday is allotted to create environmental conscious by wearing cotton material and avoiding 100% of plastic use. We motivate the students to use only steel bottles, Wooden /steel spoons in lunch boxes and Jute bags.

Encourage to use Eco-friendly materials

T. Swaruparani
PRINCIPAL
ST. JOSEPH'S COLLEGE OF EDUCATION
FOR WOMEN
GUNTUR-522 001., A.P.

Eco-Friendly campus

Encourage to use eco-friendly Materials

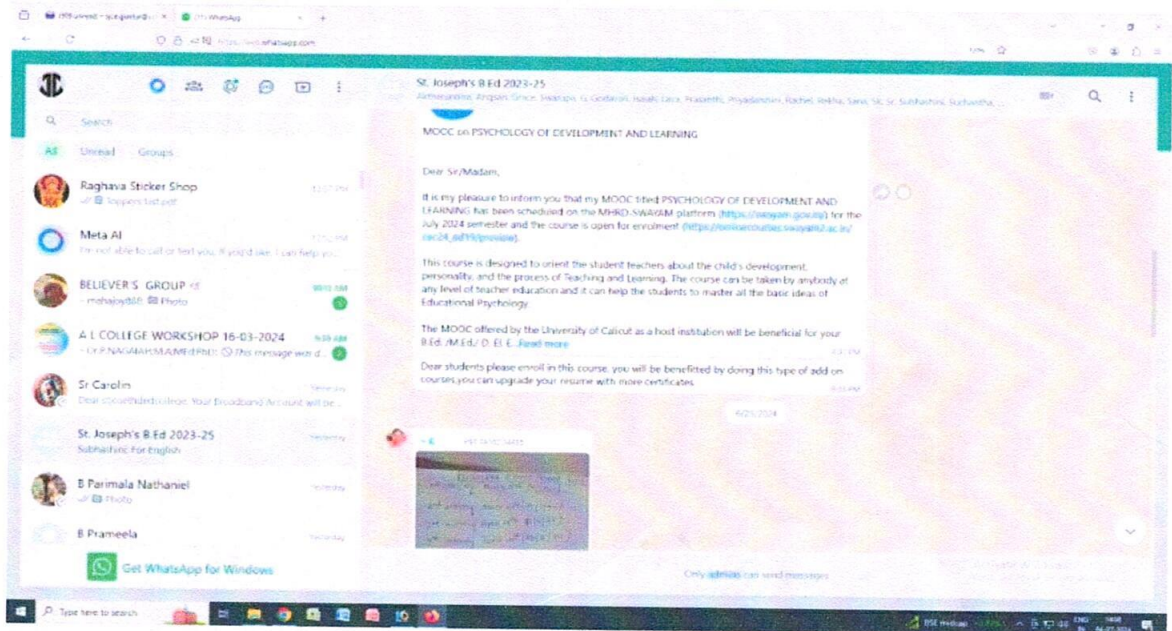

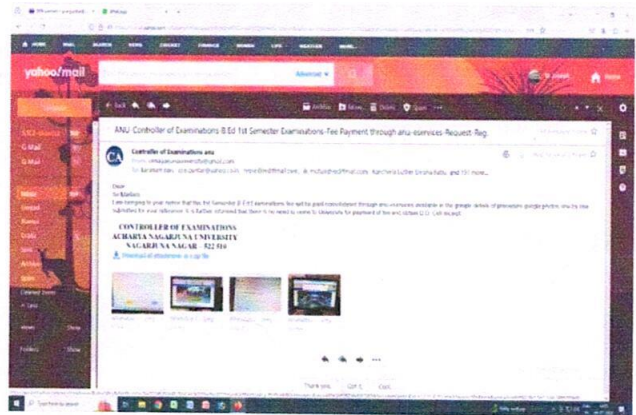

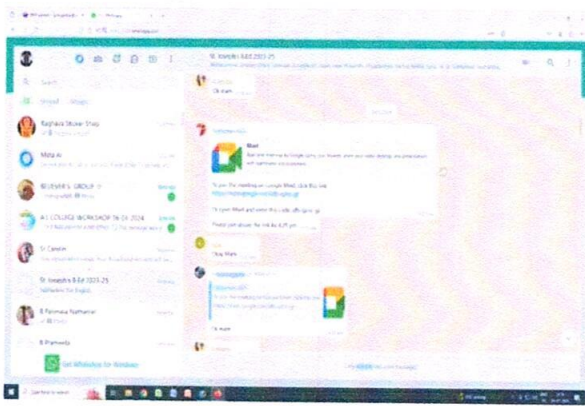

T. Swarupa Rani
PRINCIPAL

GUNTUR-522 001., A.P.

**MOVE TOWARDS
PAPERLESS OFFICE**

Move Towards paperless office

SJCE maximum use paperless office, communicate staff and students through E-Mails, what'sapp. Most of the office work documents related to exclusive software packages used for paperless office. Transitioning to a paperless office setting involves adapting digital technologies and workflows to minimize paper use and enhance efficiency

P. Swarnaparni

GREEN
LANDSCAPING WITH
TREES AND PLANTS

Green landscaping with trees and plants

In our SJCE Campus 40% of the land covers with different trees and plants .It gives a pleasant atmosphere and also gives pollution free campus. Trees and plants in campus areas serve multiple purposes beyond aesthetic appeal. They contribute to a healthier environment by absorbing carbon dioxide, reducing air pollution, and providing shade, which helps lower temperatures and energy costs. Additionally, they enhance biodiversity by providing habitats for birds, insects, and other wildlife.

Celebrating No Plastic Day: A Step towards a Sustainable Future

No Plastic Day is an annual event in our college dedicated to raising awareness about the environmental impact of plastic pollution and encouraging individuals and communities to reduce their plastic consumption. Celebrating No Plastic Day involves a variety of activities and initiatives that promote sustainable living and highlight the importance of reducing plastic waste. It aimed to educate people about the issues and inspire them to take action towards a plastic-free future.

We celebrate by educating and raising awareness, organizing Clean-Up events, Promote Plastic-Free Alternatives, Host Workshops, Implement Plastic-Free Challenges and Advocate for Policy Changes.

On that day we encourage to do Plastic Audit in their home or neighbourhood to identify and eliminate unnecessary plastic items. We do create art from recycled plastic to raise awareness about plastic pollution.

Impact

Celebrating No Plastic Day has a ripple effect, inspiring individuals and communities to make lasting changes in their plastic consumption habits. By participating in this event, each one contributes to a global movement that seeks to protect our planet and promote a more sustainable future.

Conclusion

No Plastic Day is more than just a day of action; it is a call to rethink our reliance on plastic and to embrace sustainable alternatives. By celebrating No Plastic Day, we take a stand against plastic pollution and work towards creating a healthier, cleaner environment for future generations.

We use the following Captions to motivate one another:

1. Celebrate No Plastic Day - Choose reusable, reduce waste!"

T. Sivapalan
PRINCIPAL
ST. JOSEPH'S COLLEGE OF EDUCATION
FOR WOMEN
GUNTUR-522 001., A.P.

2. "Small changes, big impact. Say no to plastic today!"
3. "Protect our planet - Embrace a plastic-free lifestyle."
4. "One day without plastic, a future without waste."
5. "Join the movement for a cleaner, greener world!"
6. "Be the change: Ditch the plastic, save the Earth."
7. "Sustainability starts with us - Go plastic-free today!"
8. "Make every day No Plastic Day - Reduce, Reuse, Recycle."
9. "A plastic-free world is a healthier world."
10. "Together, we can create a wave of change - No to plastic!"

Saturday is a No Plastic D

Say NO to Plastic

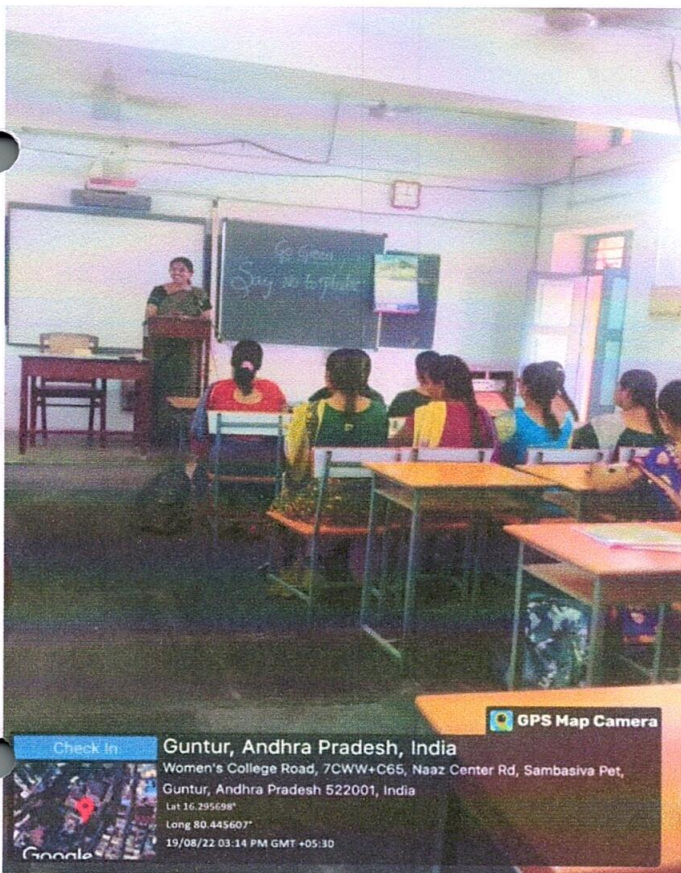

Awareness programme was conducted on Say no to plastic by Dr.T.S Subhashini, Assistant professor St. Joseph's college of education. She explained the problems faced by the use of plastic, how badly it affects the eco-systems, how it creates pollution and leads to health problem. She also suggested the activities that support to GO GREEN. She suggested to use reusable bags, stainless steel, glass bottles, glass/metal straws etc. She emphasized that it is not just an individual can achieve but together we can create a sustainable future free from the burden of plastic waste.

Awareness Programme on Waste and Water Management

An Awareness programme was conducted on 9th February 2023 on waste and water management, we invited K. Sireesha, lecturer from R.V.R College of Education Guntur. She explained that waste and water management are critical components for sustainable development and environmental conservation. Proper management practices not only protect natural resources but also promote public health, economic stability and eco system integrity. She suggested some strategies for effective waste and water management that include relation, recycling, efficient use and pollution control. It is a collective responsibility that requires the participation of everyone, communities, Government and industries

Awareness program on Save water Save life

An awareness program was conducted on "Save water Save life" on 09.09.2019. Dr. Shaik Aktharunnisa Begum, Assistant professor, St. Joseph's college of Education for women was the resource person. She explained that water is an essential resource for all forms of life on earth, 'Save water Save life' is not just a slogan, it is a call to take action for ensuring the sustainability of our most precious resource i.e water. She explained about the regions around the world facing severe water shortage and encouraged the students to use water economically and as "every drop makes the oceans". So 'Save water Save life' should be the slogan of everyone and everyone should put it into action.

Eco-Club

Activities

Eco-Club Activity Record

3

Eco club
Haritha Shobitha

9th Sept
2019

This Programme was started to bring awareness among the students about the Environment.

Objectives

1. The students will be able to recognize the concept and importance and participate in various activities
2. Identify the factors responsible for environmental degradation and pollution
3. Develop strategies to curb environmental degradation in their house and locality
4. To sensitize students regarding the environmental problems faced in the country

Responsibilities or Functions

1. To promote 'Swachh Bharath' concept in their home and in their locality
2. To implement the strategies to keep the place ^{clean} where he is living and in the clean locality around.
3. To protect biodiversity and avoid polluting the environment.
4. As a teacher to bring awareness among the students

T. Sivarajarami

PRINC. -

GUNTUR-522 001, A.P.

about Natural Resources.

- 5 To Spread The importance of 'Sustainability and Protection of Environment'.

To achieve above said objectives and to spread the concept of Sustainability 'Havitha Shobitha' Eco Club was inaugurated

by Mrs. Indira Sampath Project officer APNIG, Acharya Nagarjuna University.

A workshop was conducted based on different aspects like

- a) water management
- b) Land use
- c) Energy Conservation
- d) Biodiversity
- e) waste management etc.

Student teachers were divided into groups to enact small skits on each concept and each session was followed by Discussion

'Eco Club' was formed in the college with the following members:
