

Library Facilities

The Main purpose of Library is to provide Knowledge and Information. It serves the Society through the record of Human thoughts, ideas and expressions by making them available to all. Books are sources of information. They make it easier for people to get access to them for various purposes.

Our College Library has a vast collection of books and resources of information. The collection includes books, magazines, newspapers, films, audio, DVD's, maps, manuscripts, e- books and various other formats. We have a separate Research center in the library. Ph.D., Scholars visit our library regularly. We have four research guides in our college to guide the Ph.D., Scholars.
